

Services Survey

The City of El Paso Grants Services Division (GSD), formerly known as the Grants Office, has been restructured. The GSD's goal is to maximize grant writing resources, support and grant-writing capacity within City Departments. As a first step, we would like to initiate a services survey throughout Departments for a variety of grant writing support services. To accomplish our goal, we are asking you to complete the following questionnaire. Your time and input is greatly appreciated.

This survey is for informational purposes only.
